

WELCOME TO SAN DIEGO

The Antitrust Statement of Associated Wire Rope Fabricators

Since a trade association is by nature a group of competitors with the capacity for collusive activities which can result in restraint of trade, it is important to emphasize the intent of A.W.R.F. to act in strict compliance with all state and federal antitrust laws.

The two principal antitrust laws which are particularly applicable to trade associations are:

- Sections One and Two of the Sherman Act, and,
- Section Five of the Federal Trade Commission Act.

These acts respectively prohibit contracts, combinations, and conspiracies in restraint of trade, monopolies and attempts to monopolize, unfair methods of competition, and unfair or deceptive business practices.

The most blatant illegal restraint of trade involves price-fixing. Price-fixing may involve competitors, or suppliers and their customers with respect to resale price. A.W.R.F. will not tolerate any discussion of prices at any association meetings; nor will it allow discussion of any agreements or arrangements which inferentially address price-fixing or any other form of antitrust behavior.

10:00 – 2:00 p.m. – San Diego Zoo Tour – Meet in Hotel Lobby at 9:30 a.m.

4:30 – 6:00 p.m. – Closing Reception – Garden Terrace

AWRF GENERAL MEETINGS POLICY

Adopted 1990. Revised 1992, 1995, 2000, and October 18, 2004.

I. PURPOSES

The primary purpose of conducting AWRF association general meetings is to promote interests common among companies manufacturing, fabricating or distributing products and services within the lifting, rigging, and load securement industries, and to disseminate technical information related to the conduct of businesses within those industries and allied industries.

The purpose of conducting AWRF association general meetings is primarily educational and secondarily social. The purpose of inviting guests to meetings is to stimulate new membership. All guests are to be treated as if they were members during the meeting. Guests pay all the same fees as members, and may not be invited a second time without approval of the Directors.

II. FREQUENCY, DURATION, AND LOCATION OF THE MEETINGS

Semi-annual meetings at varied locations, from two to four days duration, are conducted to serve the purposes of the Association, as required by stipulations of the Association By-Laws, and subject to the requirements of all applicable Federal, State and Local regulations and laws. From time to time, as authorized by the Directors, special events, such as exhibitions, demonstrations or recreational gatherings, conducted at special locations, may be added to the meeting. All special events must be open to all registered attendees.

III. TEN RULES GOVERNING CONDUCT OF GENERAL MEETINGS:

1. The Association's Code of Ethics governs personal/professional behavior at meetings.
2. The costs of the meeting are defrayed by registration fees, paid equally by all attendees. Each attendee pays a single registration fee in full, regardless of full or partial involvement. No fees are refunded except by prior notice and explanation. All guests and all attending spouses also pay the same fee in full. No partial, or prorated fees, are calculated or charged under any circumstances.
3. Fees for certain optional events designated by the Directors are paid separately from the meeting registration fee. Participation is limited to members who have already paid the full registration fee.
4. Presentations by speakers should be generic. Every possible effort should be exerted to avoid any advertising or promotional materials. Speakers should be familiar with the Association Antitrust Policy. If there are concerns regarding a presentation not being generic, it should be reviewed by either the Chief Association Executive (CAE) and/or the Chairperson of the Programs Committee prior to its delivery to the members. Additionally, presentations should be made available to the members either by way of a handout or electronic format. Prospective speakers must be alerted to these requirements from the onset.
5. Courtesy to speakers is mandatory
6. No "hospitality suites" are permitted. Marketing of industry products or services by AWRF members, guests or other attendees shall be conducted with discretion in order to avoid interference with organized convention activities. It is inappropriate to distribute promotional materials, actively solicit customers or conduct business discussions concerning price and/or delivery during meetings or other AWRF functions except at designated events.
7. No closed, clandestine or selective meetings, events, tours, exhibitions etc. will be tolerated or permitted during AWRF General Meetings. The locations, and specific opening and closing times of the AWRF general meetings will be firmly established and announced in advance to avoid debate. Traditionally, General Meetings begin at 5 pm on Sunday and close at 6-7 pm Wednesday. Individual business contacts are allowed, except during receptions and meetings.
8. Meetings are open only to registered member attendees, spouses, speakers and invited guests. Uninvited persons will be asked to either join, by paying the required dues and fees, or else depart.
9. Identification badges will be provided to all registered attendees to be worn at all functions.
10. Any individual person desiring to make a complaint or raise a question concerning these rules should address the matter in writing to the Association office or in person to the Chief Executive. The Directors will address questions or complaints on an individual basis if properly presented.

JEFF BUTLER

In the 1990s, Jeff grew up in a Silicon Valley household where both of his parents built and sold software companies.

After graduating from the UC Berkeley with a degree in Computer Science he spent his time working in some of Silicon Valley's fastest charging startups.

After a short time working as an employee, he realized that he wanted to follow his parents footsteps and started his journey down the road of entrepreneurship. By the age of 27 Jeff had written two books, founded three companies, given two TED talks, and managed to get zero speeding tickets but countless parking tickets. Including two towing incidents.

With a fascination of psychology, Jeff focuses his efforts on how to bridge differences in the workplace so people work in an environment they are excited about. He has addressed companies like Google, Amazon, LinkedIn, and lot of others, but listing them all out can get pretty boring pretty fast.

JEFF HILLER - HILLERTIME

Jeff Hiller is a corporate trainer and keynote speaker for Top 100's in a wide variety of industries from hospitality and healthcare to energy and manufacturing. He delivers high energy, interactive programs based on his real world experience as a marketer, sales manager, exec, vendor and customer. Jeff has been VP at \$1B ad agency Leo Burnett, earning 7 national EFFIE Awards. Marketing/Creative Director for the Houston Rockets; VP Marketing for Four Hands, a 3-time Inc 500 Fastest Growing company; a high end retail chain owner and for the last nine years, Director of L & D and content chief for JB Training Solutions. His clients include Marriott, Phillips 66, Allianz, Eli Lilly, XPO Logistics and the Omnicon, IPG and Publicis agency groups. Jeff graduated with honors from Dartmouth College and lives in Austin, TX.

DONALD PELLOW, P.E. -PELLOW ENGINEERING SERVICES

Chair of the Associated Wire Rope Fabricators Technical Committee

- Native of Kansas City
- Graduated from the University of Kansas with B.S. in Engineering Physics
- Employed at Armco Steel – Union Wire Rope Division from 1966-1988
- Became Director of Technical Services at Union Wire Rope
- In 1988, Union Wire Rope Division was sold to Wire Rope Corp. in St. Joseph, MO, where Don stayed as Manager of Engineering Services until 1994
- In 1994, founded Pellow Engineering Services, Inc. which has three main directives:
 - Litigation Services as Forensic Engineer and Expert Witness in crane accidents and wire rope & sling failures
 - Engineering Consultant to Bob's Industrial Publications, which is the new owner of Bob's Rigging & Crane Handbooks & Rigging Reference Cards
 - Training of engineers, crane operators and riggers in construction and industrial settings
- Licensed and Registered Professional Engineer in Kansas and Missouri
- Member of National Society of Professional Engineers
- Member of Kansas City Chamber of Commerce and Hispanic Chamber of Commerce
- Member of Kansas City Plaza Rotary Club
- Chairman of Technical Committee of the Associated Wire Rope Fabricators Association
- Authored many articles and given many presentations on Crane Accidents, Wire Rope and Sling Accidents and Engineering Design & Testing

The Tour

Ever changing. Always amazing. Where culture, science, and nature collide, Balboa Park is home to more than 16 museums, multiple performing arts venues, lovely gardens, trails, and many other creative and recreational attractions, including the San Diego Zoo. With a variety of cultural institutions among its 1,200 beautiful and lushly planted acres, there is something for everyone.

Golf Tournament

Riverwalk Golf Club

1150 Fashion Valley Road
 San Diego, CA 92108

Riverwalk Golf Club is located in the heart of San Diego's Mission Valley just minutes from the Convention Center, old town, Qualcomm Stadium, San Diego Airport, and many other San Diego attractions. Riverwalk Golf Club offers a 18 hole resort style full length par 72 course complimented by a 9 hole (Sunset) ideally suited for new golfers, beginners, juniors, families, and busy avid golfer. This San Diego Golf Course boasts mature stands of palm, oak and eucalyptus trees frame undulating fairways and manicured greens, with numerous wetland areas, nearly 100 bunkers and an array of picturesque water features – including four lakes and the San Diego River – creating both strategic diversity and a visually stunning backdrop for golf. While challenging for low handicappers, the course offers multiple tees on each hole, ensuring an enjoyable experience for golfers of all abilities.
